Notes:

- Tariffs are valid from the date of approval by the Senior Management of NGDEM Global Limited.
  - The new tariffs only apply to transactions concluded before the effective date of the tariff, as well as to transactions with funds received from such transactions once the settlement is completed.
  - Please note that the tariffs mentioned do not include tariffs charged by third parties, such as JSC "Kazakhstan Stock Exchange", JSC "Central Securities Depository", custodian banks, second-tier banks, AIX, AIX CSD and other professional market participants. These charges are to be paid separately by the client, based on invoices issued by the Firm. However, commissions of international intermediary brokers, stamp duties of foreign exchanges, and other commissions included in the number of transactions are not included in these charges. It is important to note that any duties, taxes, and fees on transactions that are withheld as per the country's legislation in which the transactions are carried out are not the responsibility of the Company. These charges are to be paid by the Client.
  - Invoices for payment are paid by the Client in the currency specified in the invoice.
- \* Many Russian companies are facing challenges in fulfilling their obligations under Eurobonds or other securities due to disruptions in the international payment infrastructure. To safeguard the interests of bondholders, these issuers are making changes to the payment mechanisms, enabling them to make payments on bonds through alternative routes as determined by the investors themselves.
